

# Holistic Program Entrepreneurship with Purpose

## An intensive 2-weekend experience

In uncertain times, learning about business is not enough. This program is a journey of transformation where you will **heal, discover your purpose, and design a clear vision for your authentic business.**

### In this program you will:

- » Discover your purpose in God and align it with your business.
- » Heal emotional blocks that stop your growth.
- » Take confident first steps as an entrepreneur.
- » Discover your leadership style
- » Set strategic goals aligned with your vision.
- » Build your business with soul, purpose, and resilience.
- » Design a clear vision and a practical roadmap for your business, true to your essence and reality.

**This is not just about learning business. It's about rising with purpose and creating something that transcends the chaos.**
